# Superintendent's Message

There is no way I can describe the pleasure you will derive, in years to come, when you leaf through your yearbook and recall many pleasant experiences and former classmates. It is my privilege to share in your collection of memories.

It takes careful planning and hard work to produce an annual. I congratulate and thank all those, and especially the Arcette staff and yearbook sponsor, for making this publication possible.

The things you value most will help determine your accomplishments in life. In ETHICS by Radoslav A. Tsanoff the following quote has expressed the profound truth of ethics and social philosophy: "That all abiding achievement and all beauty and loveliness in life are rooted in the hearts and souls of men, that human life and character are the source and basis of all real value."

MRS. PHYLLIS CHEADLE
Secretary to the Superintendent

MR. GLENN HARTER

Principal

# Principal's Message

Congratulations to the senior class of 1961 upon completion of twelve years of public school education. Yet it should not be the completion, but the beginning, of a life of service to God, to our country, and to your fellow men. The "Soaring Sixties" should challenge each of you to give your best in whatever vocation you choose to offer yourself. This service should be based on strong moral principles and attitudes of righteousness.

Congratulations also to the Arcette staff, the yearbook sponsor, and friends who have made this annual possible. This will be a record of which we can be proud in the years to come. Permit me to leave a thought with you:

"Four things a man must learn to do
If he would make his record true;
To think without confusion clearly,
To love his fellow man sincerely,
To act from honest motives purely,
To trust in God and Heaven securely."

MRS. MILDRED FOLKERTH
Secretary to the Principal

# Acting Principals

MR. FRED HOLL

Congratulations upon the completion of another year of your public school education. Best wishes to the graduating seniors and my hope that you will find the future successful whether it be in college or in your chosen field of work.

MR. RICHARD GRAEFF

I wish to thank the students and faculty for their fine co-operation while I was principal. It was a fine experience which I enjoyed. I also wish the graduating seniors a successful and happy future.
